British Railways Timetable of Principal Passenger Train Services in Great Britain

18 June to 9 September 1962

This book contains the principal passenger train services in and between the six Regions of British Railways (Eastern, London Midland, North Eastern, Scottish, Southern and Western).

Full details of all the services operated in these Regions are contained in the separate Regional timetables.

The information contained in the following pages may be freely used for the purpose of correcting the times of trains and services connected therewith in any existing publication and such use should be held to be by licence of the British Transport Commission, who reserve their rights in the said information and in the form and arrangement thereof.

These timetables are issued subject to the condition that the British Transport Commission will not be responsible for any inaccuracy contained in these tables, but they will esteem it a favour if early intimation is given of any error that may be found therein.
