

BRANCH LINE SOCIETY (FOUNDED 1955)
MEMBERSHIP SUBSCRIPTION RENEWAL FOR 2019/20

Dear Member,

Your subscription for the Society's year 2019/20 is due on **May 1st**. Early payment would be appreciated as it will assist in the better running of your Society, whereas late payment may well result in your ceasing to receive your copy of *Branch Line News* in either printed or electronic format from **May 31st**.

Members are encouraged to renew where possible by using the Society's website.

This renewal form shows the membership categories available to you and the subscription type that will be indicated on your envelope if used.

As well as a usual printed copy, there is the option of receiving an electronic version as a PDF - *e-BLN*, either: without a mailed hard copy. (**Cat. E**, equivalent to Cat. A - only available in this form), or: in addition to your mailed copy at **no charge**.

Members can now only gain access to e/BLN via the website.

If you opt for any of the electronic options, it is essential that you accurately and clearly give your e-mail address.

Even if you only have the *e-BLN*, please include your full postal address for any publication posted to you..

The Basic membership (Cat. D) provides for full rights to the Society but not receipt of its publications, eg when a full member is within your family. Please append overleaf * the details of those to whom this applies.

Please make your choice for the year, read the notes below and overleaf, and remit your appropriate payment.

Card details overleaf must be accurate; the address must correspond with where your card is registered.

Please mark the box:

- 1) if you have changed either your existing service type or address
- 2) if you require a receipt ; in which case, **please enclose a SAE**.
- 3) if you require a copy of the Constitution ; in which case, **please enclose a SAE**.

Please enclose a separate sheet if there are any comments or criticism you have concerning the Society's organisation, publications or activities. The Committee is always keen to know of the views of its members and will try to meet those views in terms of how the Society is run and the services it offers.
